CAPABILITY STATEMENT · DEFENSE SUPPLY · PARTS & LOGISTICS · COMPLIANCE

Mil-spec and commercial parts, delivered to DLA requirements.

COMPANY OVERVIEW

AMCG Group LLC sources and delivers commercial and military-spec parts to the Department of Defense, backed by 6 years of experience in logistics and supply chain management. We bid and fulfill through DIBBS and handle each order from quote to delivery: sourcing, pricing, MIL-STD packaging and marking, and shipment to DoD installations.

CORE COMPETENCIES

- **Wholesale procurement expertise.** Comprehensive sourcing and supply of essential components for defense logistics.
- **Tailored solutions.** Procurement strategies built around the specific requirements of each government contract.
- **Rapid fulfillment.** Efficient supply chain management to deliver critical parts on time.

PAST PERFORMANCE

Our expertise is grounded in 6 years of experience in logistics and supply chain management: sourcing commercial and mil-spec parts, managing suppliers, and moving material to meet contract schedules. That foundation lets us deliver reliable, compliant procurement for government buyers.

Recent DLA awards: safety cable kits (NSN 5340-01-664-6393, Tinker AFB) · stainless hex cap screws (NSN 5305-01-560-2720) · globe-check valves (Method AE).

WHY BUYERS USE US

- One point of contact from quotation through delivery.
- Packaging and labeling done in-house to MIL-STD-2073 and MIL-STD-129.
- Pricing built from cost analysis and market data on every bid.
- Ships from the Chicagoland area, central to installations nationwide.
